

Publications

The following is a comprehensive list of publications, conference papers, and contributions to the field of collection management, conservation, and cultural heritage by Dr Anna E Bülow. These publications reflect ongoing research and practical developments in value management, preservation, digitisation, risk assessment, and the balancing of preservation with access and commercial interests.

Conference Papers and Posters

- Bülow, A.E. (2024): 'Trends of Preventive Conservation in European Museums.' Presentation at Minpaku 50th Anniversary International Symposium, Osaka, February 2024.
- Bülow, A.E., Stitt, J. and Brokerhof, A.W. (2018): 'I Can See Further Now: Preventive Conservation in a Changing Heritage World'. Presented at the IIC Congress, Turin, September 2018.
<https://doi.org/10.1080/00393630.2018.1504443>
